

AMMONI-FORA

Powder

Ammonia Binder Helps in Controlling Ammonia Level

Ammoni Fora helps in binding preventing the Accumulation of ammonia in water due to excretion process, degradation of living organisms, waste materials and feed and thus helps in providing healthy enviroment to aquaculture. It helps in deodorizing and binding of ammonia, reducing microbial pathogens, maintains daily feed intake, growth and resistance to diseases.

BENEFITS:

- Maintains oxygen carrying capacity in aquacultue
- Helps in reducing ammonia and its odors
- Helps in reducing further production of ammonia
- Maintains FCR, livability and growth
- Helps in reducing BOD and COD
- Maintains healthy environment

PACKAGING: 500 gm & 1 kg

FORAGE ANIMAL HEALTH & NUTRITION PRIVATE LIMITED

(An ISO 9001:2015 & WHO-GMP Certified Company)
D-10B, Industrial Area, Delhi Road, Saharanpur-247001
Uttar Pradesh, India, Contact NO. +91 7060030899
www.forageanimalhealth.com

COMPOSITION:

Each 100 gm contains:

Yucca schidigera extract	20 gm
Dioscorea bulbifera	20 gm
Aloe vera	20 gm
Tribulus terrestris	20 gm
Azadirachta indica	20 gm

DOSAGE:

500 gm per hectare once in 15 days or as advised by aquaculture consultant Pond application done by mixing with sand or zeolite for best result.

For Feed Add 1 kg per MT

WARNING :

Not For Human Use/medicinal Use
For Aquaculture Feed Supplement Only

FORA BIOSOL

Powder

UNIQUE COMBINATION OF MULTI VITAMINS & MULTI MINRALS

FORA BIOSOL herbal aqua feed added with prebiotic herbs that help in stimulating growth of beneficiary microorganisms in intestinal system, supports good digestion and other digestive processes. It supports the process of absorption, assimilation and excretion, also maintains appetite, helps in emphasizing metabolism, gastric development and immunity, protects from risk of indigestion and provides good health.

BENEFITS:

- Maintains appetite and digestion
- Supports growth of gut microflora
- Maintains protein and organic matter digestibility
- Maintain energy level
- Maintains water quality
- Protect from bacterial infections

DOSAGE:

Mix 1 kg per tonne of feed
or as advised by aquaculture consultant

FORAGE ANIMAL HEALTH & NUTRITION PRIVATE LIMITED

(An ISO 9001:2015 & WHO-GMP Certified Company)

COMPOSITION:

Each 100 gm contains

Emblica Officinalis	10 gm
Boerhaavia diffusa	10 gm
Terminalia chebula	05 gm
Andrographis paniculata	10 gm
Trachyspermum ammi	05 gm
Pimpinella anisum	04 gm
Zingiber officinale	02 gm
Leptadenia reticulata	05 gm
Terminalia belerica	04 gm
Eclipta alba	10 gm
Pueraria tuberosa	10 gm
Phyllanthus niruri	10 gm
Live Yeast	10 gm
Hemidesmus indica	05 gm

PACKAGING: 500 gm, 1 Kg & 20 Kg

WARNING :

Not For Human Use/medicinal Use
For Aquaculture Feed Supplement Only

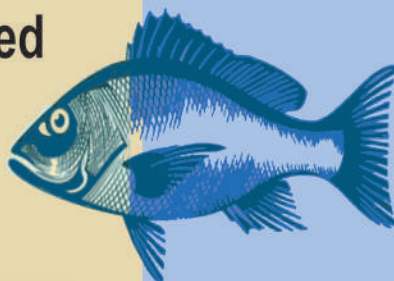

FORA-C Complex

(Natural vitamins)

Liquid & Powder

Herbal Antistressor Immunomodulator Aqua Feed

FORA-C Complex Powder & Liquid blend of natural herbs helps in maintain absorption of Vitamin C and maintain body level of bioflavonoids. It aid as natural Adaptogen, supports detoxification, helps in removal of dead cells, improves resistance against infections and immunity level. It is Highly economical and more effective than synthetic vitamin C.

BENEFITS:

- Natural anti-inflammatory
- Maintains feed efficiency and nutrient utilisation
- Herbal detoxifier
- Reduces risk of early mortality
- Keeps protected from bacterial infections
- Nourishes gills, bones, muscles and skin
- Fulfill requirement of vitamin C

PACKAGING:

Powder: 500 gm, 1 Kg and 20 Kg

Liquid: 500 ml, 1 ltr and 5 ltr

FORAGE ANIMAL HEALTH & NUTRITION PRIVATE LIMITED

(An ISO 9001:2015 & WHO-GMP Certified Company)

COMPOSITION: For Powder

Each 100 GM contains

Citrus limon	20%
Psidiumguajava	10%
Emblica officinalis	40%
Citrus sinensis	20%
Carica papaya	10%

COMPOSITION: For Liquid

Each 100 GM contains

Citrus limon	20%
Psidiumguajava	10%
Emblica officinalis	20%
Citrus sinensis	20%
Carica papaya	10%
Aqua	q.s.

DOSAGE:

Powder: 500 gm 1 kg per tonne of prepared feed

Liquid: 15-30 ml per 1000 ltr of feed or as directed by Aquaculture consultant

WARNING :

Not For Human Use/medicinal Use

For Aquaculture Feed Supplement Only

FORA CAL

Liquid & Powder

Calcium Solution with Phosphorus & Vitamin D3

BENEFITS:

- Helps in strengthening bones and muscle tone
- Helps in improving productivity and performance
- Helps to protect from liver ailments
- Supports optimum growth
- Supplement highly bioavailable calcium and phosphorus

DOSAGE:

Liquid: 250 ml per kg of prepared feed
Powder: 500 gm per ton of prepared feed
or as directed by Aquaculture consultant.

COMPOSITION:

Each 100 GM contains

Calcium Gluconate	416.5 mg
Calcium Hypophosphite	125 mg
Vitamin D	800 I.U
Heamitic herbal conc.	250 mg
Ferric ammonium citrate	83.5 mg
Vitamin B12	8.35 mcg
Zingiber Officinalis	1 mg
Cissus Quadrangularis	1 mg

PACKAGING:

For Liquid: 1 Ltr & 5 Ltr.
For Powder: 500 gm & 1 kg

FORA CHOLINE-H

Natural Choline For Aqua Feed

FORA CHOLINE-H Herbal powder is a natural replacement to choline chloride with higher bioavailability. It helps to maintain optimum growth, productivity and performance, helps in protecting from toxins, support effective feed assimilation, appetite and provide avourable environment to pond eco-system This is herbal and safe aqua feed.

BENEFITS:

- Natural detoxifier.
- Support optimum growth and performance.
- Keeps free from harmful pathogen load.
- Aid as natural sanitizer.
- Maintains shrimp health.
- Provides healthy environment to aquaculture.
- Provides more bioavailable choline.
- Helps in fat metabolism in liver.

PACKAGING: 1 Kg, 20 Kg & 25 Kg

FORAGE ANIMAL HEALTH & NUTRITION PRIVATE LIMITED

COMPOSITION:

Each 100 GM contains

Ocimum basilicum	20%
Andrographis paniculata	35%
Silybum marianum	10%
Glycine	15%
Azadirachta indica	20%

DOSAGE:

1 kg of CHOLINE-H per tonne of prepared feed
or as directed by Aquaculture consultant.
Use 500 ml of choline H for choline chloride

WARNING :

Not For Human Use/medicinal Use
For Aquaculture Feed Supplement Only

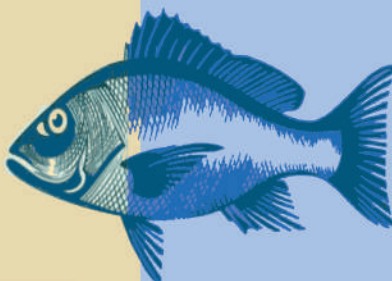

FORA-DEOXYMOR

Powder

Herbal Blend of Potent Antioxidants

FORA-DEOXYMOR Powder is an herbal preparation that helps in providing toxin and bacterial infections free environment to growing shrimp. It supports proper nourishment, growth, maintains palatability and strength of vital organs, helps to resist unwanted stress and stimulates productivity.

BENEFITS:

- Maintains feed efficiency
- Maintains shelf life
- Maintains body resistance to stress.
- Maintains body immunity
- Helps to maintain favorable environment to pond ecosystem.

COMPOSITION:

Each 100 GM contains

Emblica officinalis	30 gm
Citrus limon	20 gm
Citrus sinensis	20 gm
Ocimum basilicum	15 gm
Carica papaya	15 gm

DOSAGE:

500 gm per tonne of prepared feed
or as directed by Aquaculture consultant.

PACKAGING: 500 gm, 1 Kg and 25 Kg

WARNING :

Not For Human Use/medicinal Use
For Aquaculture Feed Supplement Only

FORA-E-MOR

Powder

Supports Absorption & Retention of Antioxidant Nutrients

FORA-E-MOR herbal aqua feed participates in proper absorption of essential nutrients such as Selenium and Vitamin E. It helps in protecting shrimp from oxidative damage, strengthens body tissues and cells, maintains strength of skeletal structure, and supports better growth, reproductivity and performance

BENEFITS:

- Maintains stamina.
- Helps in proper growth of skeletal structure.
- Helps in proper fin generation.
- Supports in better fertility and growth
- Maintains body nutritional level.
- Helps in stress management.
- Help better absorption of vitamin E & selenium.

COMPOSITION:

Each 100 gm contains

Helianthus annuus	20 gm
Oryza sativa	30 gm
Glycine Max	15 gm
Zea Mays	15 gm
Arachis hypogea	20 gm

DOSAGE:

1 kg of SEL-E-MOR per Ton of feed or
as advised by aquaculture consultant.

PACKAGING: 500 gm & 1 Kg

WARNING :

Not For Human Use/medicinal Use
For Aquaculture Feed Supplement Only

FORA F STRESS

Liquid & Powder

Herbal Antistressor Immunomodulator Aqua Feed

Fora F stress aqua feed aid as immunostimulant feed additive, maintains non specific immunity response, helps in strengthening defense mechanism, helps in proper nutrient and feed absorption & protect from nutrient loss.

BENEFITS:

- Aid as Adaptogen
- Maintains metabolism process
- Protect from dehydration and weakness
- Supports proper nutrient absorption
- Maintains immunity and body strength
- Maintains appetite and FCR

PACKAGING:

Powder: 500 gm, 1 Kg and 25 Kg

Liquid: 500 ml, 1 ltr and 5 ltr

FORAGE ANIMAL HEALTH & NUTRITION PRIVATE LIMITED

(An ISO 9001:2015 & WHO-GMP Certified Company)

COMPOSITION: For Powder

Each 100 ml contains

Ocimum basilicum	28 gm
Withania somnifera	20 gm
Bacopa monnieri	30 gm
Emblica officinalis	17 gm
Electrolytes	05 gm

COMPOSITION: For Powder

Each 100 ml contains

Ocimum basilicum	28 gm
Withania somnifera	20 gm
Bacopa monnieri	30 gm
Emblica officinalis	17 gm
Electrolytes	05 gm
Aq. Base	q.s.

DOSAGE:

Powder: 1 kg per tonne of prepared feed

Liquid: 1.5-2 Ltr per hectare of pond

or as directed by Aquaculture consultant

WARNING :

Not For Human Use/medicinal Use

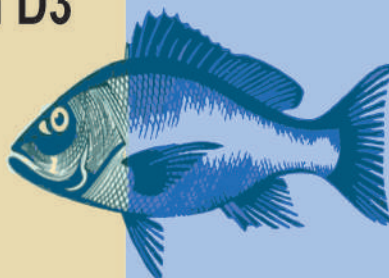

For Aquaculture Feed Supplement Only

FORA GAIN A

Powder

Biological Retinol Alkaloids forming
Vitamin A precursors with D3

FORA Gain A is supplement of Vitamin A & Vitamin D3. The analogue of Vitamin A in the product is a group of unsaturated nutritional organic compounds that includes retinol, retinal, retinoic acid, and several Provitamin A carotenoids (most notably beta-carotene). Taking this into consideration A Precursor is developed from natural precursors by separating the organic compounds and carotenoids. A Precursor has same efficacy as exhibited by Vitamin A & Vitamin D, in similar concentration whether used in Aquatic animals, It can very easily fulfill the requirement of Vitamin A and Vitamin D, in diet. Along with this Vitamin A and Vitamin D, is one of the least stable vitamins and is highly labile to light and oxidation but A Precursor is free from these effects and is very stable and can be used in any feed with very high conditioning temperature.

DOSAGE:

500 gm per MT of feed or as
directed by Aquaculture consultant.

FORAGE ANIMAL HEALTH & NUTRITION PRIVATE LIMITED

COMPOSITION:

Each Kg contains

Vitamin A	100 million IU (bioavailability)
Vitamin D3	20 million I.U

BENEFITS:

- Maintains digestion.
- Maintains appetite and FCR.
- Supports gut pH and microflora growth.
- Helps in boosting up gut gastric juices.
- Improves resistance against pathogenic bacteria.
- Supports better nutrient absorption and weight gain.

PRESENTATION: 500 gm, 1 Kg and 20 Kg

FORA GROW PLUS

Powder

Immunomodulator & Fertility Enhancer Aqua Feed

FORA Grow Plus Powder natural immunomodulator preparation for aquaculture. It helps in maintaining body resistance against pathogenic load, helps in supporting essential nutrient absorption, supports faster growth and maintains ovulatory progression.

BENEFITS:

- Maintains immune response
- Reduces risk to infections
- Support healthy and quick growth
- Maintain fertility and ovulation
- Helps to reduces mortality rate
- Develop strong immunity

DOSAGE:

500 gm per metric tonne of prepared feed
or as advised by aquaculture consultant

COMPOSITION:

Each 100 GM contains

Echinacea purpurea	10% w/w
Calendula officinalis	10% w/w
Withania somnifera	20% w/w
Panax ginseng	10% w/w
Ocimum sanctum	25% w/w
Emblica officinalis	17.65% w/w
Vitamin C	1.0% w/w
Vitamin E	1.0% w/w
Sodium selenite	0.1% w/w
Potassium iodide	0.25% w/w
Magnesium sulphate	3% w/w
Zinc sulphate	2% w/w

PACKAGING: 500 gm, 1 Kg and 20 Kg

WARNING :

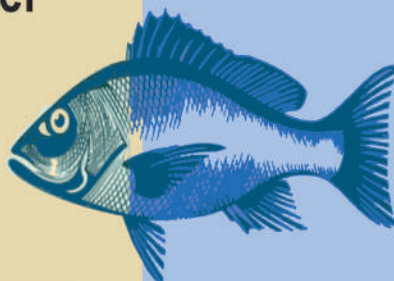

Not For Human Use/medicinal Use
For Aquaculture Feed Supplement Only

FORA HEAT

Powder

Natural Libido Inducer & Fertility Enhancer Powder

FORA Heatasole is a herbal powder which enhances fertility and has essential minerals that helps optimize ovarian functions, reproductive efficiency, enhances fertility maintains body weight and hormonal secretion. Also, best for rejuvenation, improves growth, productivity and performance. An excellent product for hatchery operation.

BENEFITS:

- Increase libido.
- Maintains reproductive hormone secretion.
- Maintains fertility.
- Maintains motility of gametes.
- Maintains genital and immune system.
- Nourishes gills, bones, muscles and skin.
- Maintains growth and performance.

PACKAGING: 500 gm, 1 kg & 25 kg bag

COMPOSITION:

Each 100 GM contains

Citrullus colocynthis	360 mg
Zingiber officinalis	270 mg
Piper longum	235 mg
Piper nigrum	135 mg
Copper	25 mg
Cobalt	5 mg
Iron	50 mg
Zinc	40 mg
Manganese	50 mg
Magnesium	50 mg
Excipients	q.s.

DOSAGE:

500 gm per ton of prepared feed
or as directed by Aquaculture consultant

WARNING :

Not For Human Use/medicinal Use
For Aquaculture Feed Supplement Only

FORA LIV

Powder

Liver Tonic For Aqua Maintains Appetite, FCR, Digestion & Metabolism Process

FORA Liv-100 Aqua feed liver tonic helps in stimulating liver cells, maintains bile acid secretion, supports proper absorption, assimilation, digestion and utilization of feed and nutrient, and maintains appetite and proper growth. It aid as natural energizer, hepatoprotective and hepatostimulant.

BENEFITS:

- Supports digestion and metabolism process
- Supports feed digestibility
- Maintains appetite, feed intake and growth
- Aid as energizer
- Helps in maintaining reproductive performance
- Improve better FCR and reduce mortality

DOSAGE:

1 kg per MT of feed
or as advised by aquaculture consultant.

Solanum nigrum	3%
Tephrosia purpurea	4%
Cichorium intybus	2.50%
Picrorhiza kurroa	0.5%
Eclipta alba	2%
Fumaria officinalis	2%
Andrographis paniculata	3%
Terminalia chebula	2%
Pimpinella anisum	2%
Terminalia arjuna	2%
Emblica officinalis	2%
Swertia chirata	1%
Glycyrrhiza glabra	1%
Ferula asafoetida	2%
Boerhavia diffusa	2%
Aqueous base	q.s.

PACKAGING: 500 gm, 1 Kg and 20 Kg

WARNING :

Not For Human Use/medicinal Use
For Aquaculture Feed Supplement Only

FORA LYSINE GROW

Powder

Natural Lysine

FORA Lysine Grow is herbal blend that helps to stimulate protein absorption, support metabolism and highly bioavailable. Excess Nitrogen excreted as ammonia by fish have poor impact on environment as well as poor condition for proper growth of aquaculture. Thus it helps in minimizing nitrogen excretion and helps to maintain requirement of essential amino acids. It promotes proper growth, support conversion of fatty acids into energy, helping to lower cholesterol, enhance calcium absorption, and maintain strength of bones and connective tissues.

BENEFITS:

- Helps to reduce nitrogen excretion.
- Helps to maintain level of essential amino acids.
- Helps to optimum protein utilisation.
- Helps to maintain favorable environment of water.
- Helps to maintain proper growth and reproductivity.
- Highly bioavailable and digestible.
- Provide natural form of lysine.

COMPOSITION:

Each 100 GM contains

Silybum marianum	20%
Andrographis paniculata	25%
Glycine Max	15%
Azadirachta indica	20%
Helianthus annus	20%

DOSAGE:

1 kg of LYSINEMOR per tonne of prepared feed or as directed by Aquaculture consultant.

PACKAGING: 1 Kg, 20 Kg & 25 Kg

WARNING :

Not For Human Use/medicinal Use
For Aquaculture Feed Supplement Only

FORA METHORGANIC

Powder

Natural Methionine For Better Assimilation of Methionine & Protein

FORA Methorganic helps in fulfilling the requirement of organic methionine, which is essential amino acids and building blocks of protein formation and utilization of optimum energy. It maintains growth, appetite FCR, supports formation of immune cells and tissues, helps in regulating muscles growth and maintains energy level.

BENEFITS:

- Natural dietary energy source.
- Supports optimum muscle growth.
- Supports better absorption and assimilation of methionine.
- Maintains good nutrition in fish farming.
- Protect from unwanted stress.
- Maintains livability.
- Reduces risk of early mortality
- Provide natural from of methionine.

COMPOSITION:

Each 100 gm contains

Andrographis paniculata	40%
Ocimum basilicum	30%
Azadirachta indica	30%

DOSAGE:

Mix 1 kg per tonne of feed
or as advised by aquaculture consultant

PACKAGING: 500 gm, 1 Kg and 20 Kg

FORA-MOR

Powder

Herbal Appetite Stimulant & Digestive Tonic

FORAMOR is a blend of natural herbs to perform wide range of functions for healthy appetite digestion, better growth and productivity. It helps in improving feed intake, FCR, stimulates better nutrient absorption and feed assimilation, normalizes the intestinal pH, helps in eliminating pathogenic bacteria and optimizes feed utilisation.

BENEFITS:

- Maintains digestion.
- Maintains appetite and FCR.
- Supports gut pH and microflora growth.
- Helps in boosting up gut gastric juices.
- Improves resistance against pathogenic bacteria.
- Supports better nutrient absorption and weight gain.

COMPOSITION:

Each 100 gm contains

Andrographis paniculata	10%
Azadirachta indica	10%
Activated charcoal	05%
DiSodium EDTA	05%
Buffered organic acids	40%
Saccharomyces cerevisiae	100 billion cfu
M.O.S	5%
B.H.A.	5%
Zeolite	q.s. to 100 gms

DOSAGE:

500 gm-1 kg of per tonne of feed
or as advised by aquaculture consultant.

FORA nAGP

Liquid & Powder

Natural non Antibiotic
Growth promoter for the Effective
management of Gut & Digestive tract

FORA nAGP is a herbal preparation which keeps intestinal and immune system healthy, stimulate gut motility, improve appetite, feed absorption and body weight in aquatic animals. It exert stimulating effect on intestinal tract, promote growth of intestinal villi, enhances energy level, helps in strengthening body muscles and tissues, scavenge oxygen free radicals, protect from respiratory disorders and risk of early death and health of target species with natural n AGP there is no need to add any formal antibiotics in diet

BENEFITS:

- Healthy G.I.T management
- Good for healthy gut functioning
- Good to stimulate respiratory system
- Good to maintain immunity and resist stress
- Good to scavenge oxygen free radicals
- Good for better egg yield and quality at hatchery level
- Good to protect from risk of harmful parasites
- Good body weight at time of harvestiry

PACKAGING:

Powder 1 kg & 25 kg Paper Bag
Liquid : 1 Ltr Bottle & 5 Ltr Jar

FORAGE ANIMAL HEALTH & NUTRITION PRIVATE LIMITED

(An ISO 9001:2015 & WHO-GMP Certified Company)

FORA NUTRI

Powder

UNIQUE COMBINATION OF
MULTI VITAMINS & MULTI MINRALS

FORA Nutri powder multiminerals mixture specially prepared to gear up the growth of Aqua culture.population Added minerals along with essential vitamins helps in gaining required immunity level, improves appetite the body weight Helps in proper body weight helps in proper body building, strengthen body system and protect from various risk of deformities and infection.

BENEFITS:

- Helps in attain optimum growth
- Helps to improve productivity and performance
- Helps to attain maximum body weight
- Helps to promote appetite and FCR
- Helps to cope summer/ environmental stress

DOSAGE:

500 gm-per MT of feed or
as directed by Aquaculture consultant.

FORA-OXY

Powder, Granules & Tablet

An Effective Oxygen Enhancer Product for Aquatic Animals

FORA-OXY is a powerful oxygen enhancer used to maintain the amount of dissolved oxygen in Aquatic ponds. It generates oxygen immediately when get dissolved into the pond and relieves aquatic animals from the stress by providing sufficient quantity of Oxygen. It also removes the organic load and toxic gases from the bottom of the pond. Maintains constant oxygen level for a stress-free environment and prevents the growth of harmful microbes. It improves water quality of ponds by releasing required quantity of oxygen.

BENEFITS:

- Immediately get dissolved into the water and provide required oxygen.
- Removes toxic gases and pathogenic load from the bottom of the pond.
- Non-hazardous and non-toxic.
- Maintains FCR, livability and growth
- Relieves from stress immediately by providing required oxygen.
- Prevents growth of pathogenic microorganisms.

COMPOSITION:

Sodium percarbonate

DOSAGE:

During Normal conditions: 1-2 kg per hectare or 0.4-0.8 kg/Acre

During Oxygen depletion conditions:
Make the dose double

In Feed: 1 kg per MT of feed

Or as directed by Aqua Consultant

PACKAGING: 1 kg, 2 kg & 5 kg

WARNING :

FORA-TOX

Powder

Toxin Binder Semi Herbal Preparation To Support Better Detoxification

Fora-Tox aqua feed a unique preparation that aid as toxin binder. It helps in maintaining sufficient water oxygen level, helps in diluting the toxic effects of mycotoxins, aid as antioxidant, keep water system free from pollution, helps in maintaining metabolism process in aquaculture, maintains immunity, performance and productivity.

BENEFITS:

- Helps in neutralizing the effect of mycotoxins.
- Helps in improving water quality
- Helps in maintaining dissolved oxygen level.
- Helps in absorbing toxic gases from water system.
- Helps in providing healthy environment to shrimp.
- Helps in pollution free water culture.

PACKAGING: 500 gm, 1 Kg and 20 Kg

FORA VIROFREE

Powder

Keeps Aquaculture Free From
Risk of Virus & Infectious Diseases

Fora-Virofree herbal aqua feed to keep aquaculture free from risk of virus and infectious disease and supports in various biological activities. It aid as antiviral, antibacterial, helps in balancing hormonal secretion and helps in strengthening immunity against pathogenic load.

BENEFITS:

- Natural antiviral and anti-bacterial product
- Helps in stimulating immunity
- Maintains resistance against various infections
- Helps in protecting from stress
- Helps in destroying the chain of harmful viruses
- Herbal and safe

COMPOSITION:

Each 100 gm contains

Allium sativum	20%
Thymus vulgaris	15%
Zingiber officinalis	15%
Glycyrrhiza glabra	10%
Emblica officinalis	20%
Tinospora cordifolia	20%

DOSAGE:

Mix 1 kg of Virofree per metric tonne of feed
or as advised by Aquaculture consultant

PRESENTATION: 500 gm, 1 Kg and 25 Kg

WARNING :

Not For Human Use/medicinal Use
For Aquaculture Feed Supplement Only

COMPOSITION 1:

Content per liter

Vitamin A	25000000 IU
Vitamin D3	400000 IU
Vitamin E	2500 mg
Vitamin C	5000 mg
Aq.Base	q.s.to IL

COMPOSITION 2:

Content per liter

Vitamin A	125000000 IU
Vitamin D3	2500000 IU
Vitamin E	4500 mg
Vitamin K3	700 mg
Zinc Sulphate	100 mg
Aq.Base	q.s.to IL

DOSAGE:

250 ml per kg of feed

or as directed by Aquaculture consultant

WARNING :

Not For Human Use/medicinal Use

For Aquaculture Feed Supplement Only

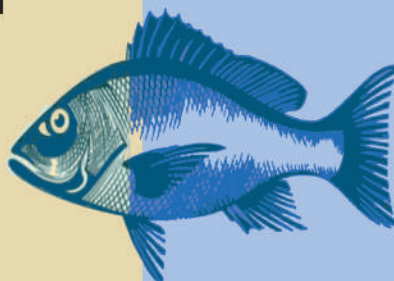

FORA-YUCCA

Liquid

A unique bio-degradable ammonia binder with urease inhibitor

Fora-Yucca is a high quality liquid formulation which helps to reduce ammonia concentration in pond for optimum growth and development of Fish & shrimps. It helps to minimize the sludge building in aquaculture ponds, making the healthy ecosystem for better survival and growth of shrimp, prawn & fish. It also helps to provide relief from ammonia stress and increase oxygen level in pond by decreasing ammonia & toxic gases.

BENEFITS:

- Inhibits enzyme urease and reduce ammonia formation.
- Helps to protect from ammonia stress in shrimp/fish.
- Helps to improve oxygen level in ponds.
- Enhances the intestinal enzyme system.
- Improves the health condition of shrimp/fish.

COMPOSITION:

Each 100 ml contains

Yucca schidigera	13000 mg
Aqueous base	q.s to 100 ml

DOSAGE:

Pond Application: 1 Ltr per Acre
Or as directed by Aquaculture Consultant.

PACKAGING: 1 Ltr & 5 Ltr

WARNING :

**Not For Human Use/medicinal Use
For Aquaculture Feed Supplement Only**
